2. SUBJECT OF THE AGREEMENT

Under the Agreement EXENIUM renders to the User the following services:

- grants access to the System in order to carry out Deals;
- grants access to the Account within the System;
- gives the possibility to carry out Margin deals;
- provides information necessary for the use of the System and carrying out Deals.

Depending on the User's place of residence, the User may not be able to use all the functions of the Site. It is the User's responsibility to follow those rules and laws in his/her place of residence and/or place from which the User accesses this Site.

The User acknowledges and agrees that, when completing Trading Transactions, he/she is trading with other User, and that EXENIUM is not a counterparty to any trade.

Essential parts of the present Agreement are sections dedicated to Privacy policy, Anti-Money Laundering Policy, and the Fees.

3. ACCESS TO THE SYSTEM, REGISTRATION PROCESS AND CHAT USE

EXENIUM grants the User access to the information about the System, Currency Rates offered by other Users, closed Deals and about placed Orders before the registration process is completed.

In order to get access to the System, the User should complete the registration process. After that the User will get access to the Personal Cabinet created on the basis of the User Account Data.

The User is responsible for setting up a password during the registration process. The User can change the password any time after the registration process is completed. The User commits to safeguard password and User Account Data from the access of third parties and is the one to determine the best way to save this data and take steps to prevent it from being discredited. In case of loss or discrediting the password and/or the User Account Data as well as in cases when third parties illegally obtain access to the User's Personal Cabinet, the User has to inform the EXENIUM about these circumstances by contacting the technical support team (support@exenium.io). Until EXENIUM receives the corresponding message, all the actions made from the User Personal Cabinet will be considered as made by the proper User as the holder of the Account.

The User has the right to hold and use only one Personal Cabinet and cannot use two or more Personal Cabinets. Such actions will be considered as violation of this Agreement.

While using the Chat, the User is prohibited to:

- insult and threaten other users and/or EXENIUM staff. This is considered as a direct violation of the rules of chat use and may result in a permanent ban of the User;
- use any forms of obscene language;
- make statements stirring up to international dissention, containing violence propaganda or offending religious feelings of other Users;
- send any kind of external links;
- text messages in capital letters only;
- repeatedly text the same information or constantly repeat the same phrase;
- offer to buy or sell the Funds;
- advertise products or services of other companies;
- flood, spam and discuss topics that are not related to cryptocurrency or the exchange;
- providing false or misleading information about exchange.

4. THE ACCOUNT

After registration in the System the User gets access to his/her Account in the Personal Cabinet. The User can operate personally using his/her Account and the Personal Cabinet as well as instruct the System to execute operations with their Account automatically.

The EXENIUM indicates in the Personal Cabinet the information necessary for the replenishment of the Account and for the withdrawal of Funds from the Account.

To replenish the Account the User has to transfer Funds according to the bank details indicated by EXENIUM in the User Personal Cabinet. The User is responsible for paying commissions and service fees related to the transfer as well as assumes the risks of indicating an incorrect bank account details.

The Account is considered to be replenished when the corresponding amount of money enters the current account of EXENIUM or when a corresponding message appears in the EXENIUM

The EXENIUM commits to receive Cryptocurrency items from Users, keep them, keep a record of them, execute transactions and provide them to the the Users upon their request.

The EXENIUM keeps a record of the funds transferred to the Account and does not keep Users' money. Money transfers during the Account replenishment as well while executing Deals between the Users are carried out by third parties (aggregators, payment institutions and other facilitators). The EXENIUM is not liable for actions of these third parties.

All Account operations are carried out at User's request. The EXENIUM does not accept orders on carrying out any operation with the User Account from third persons except otherwise is stipulated by the Agreement or other agreements between the Parties.

All the Funds placed on the Account belong to the User. The EXENIUM cannot block Funds on the Account without the order emitted by the User as well as can write-off Funds only in cases stipulated by the Agreement.

Interests do not apply to the remainder amount of Funds in the User Account, and the EXENIUM is not committed to pay the abovementioned interests.

To withdraw Funds from the Account, the User has to fill the corresponding form in their Personal Cabinet. The User will get a message to the email address indicated during the registration process asking to confirm or to deny the withdrawal operation. In case the User denies or does not confirm the withdrawal, the Funds will remain in the Account.

The System sets some restrictions for Funds withdrawals and the User cannot instigate withdraw Funds during 3 (three) days after changing User Account Data, which includes changing or restoring password, and also changing authorization method.

The User acknowledges and agrees that Deposit and Withdrawal Transaction in Fiat currency may be delayed due to bank verifications and checks, for a period up to one (1) month. Similarly, and due to the inherent nature of the cryptocurrency networks, the User acknowledges and agrees that depositing and withdrawing Cryptocurrencies into/from his/her Account may take between one (1) hour and seventy two (72) hours, barring unforeseen or unavoidable network issues.

In case if the User discovers suspicious transaction activity, including but not limited to unknown deposits and withdrawals, on his/her Account that was not initiated by the User, the User shall immediately notify EXENIUM of this fact and follow the instructions sent by EXENIUM. Otherwise, EXENIUM reserves the right to freeze the Account until the end of investigation.

EXENIUM may be forced to cancel or recall already executed Withdrawal Transaction at a request of financial institutions, including but not limited to banks, which are involved in settlement related to deposit and withdrawal of Funds from User's Accounts. In such cases the User is obliged to cooperate with EXENIUM in order to discover the reasons for such request.

5. TRADING DEALS

The Deals in the System are made on the basis of Orders placed by the User and according to the conditions stipulated by the Parties, taking into consideration the preliminary conditions of the agreement on onerous

alienation of rights to Cryptocurrency. The EXENIUM in no circumstances should be considered the dealing party. All the Deals are conducted between the Users on the information support of the EXENIUM.

The User recognizes that an Order shall only be submitted after careful consideration and understands and accepts consequences of its execution.

The EXENIUM charges reward for the execution of Deals. The commission rewards are determined by the Fees.

To place an Order The User has to replenish the Account for the amount indicated in the Order and fill the corresponding form in the page 'Trades' or 'Exchange' depending on the Order type that can be consulted in the section 6 of the present Agreement.

The User's Order is registered in the System after verifying the availability of required amount of Funds on the Account. The EXENIUM controls the possibility of Users to carry out transactions and by this strengthens confidence between the Users and reduces the risk of non-execution of Users' obligations under the Deals. The System does not register the Order if the Account does not have enough Funds for conducting the Deal.

The User can call back the Order at any moment until its full execution.

All the Users can consult an Order until it is fully executed or called back. Placed Order represents a User's proposal to close a Deal.

The Deal on the placed Order is closed when the System registers a Counter Order placed by another User. Counter Orders are reverse orders that have the same Exchange Rate. The registration of counter orders in the System is considered the User's acceptance of the offer. The Order is considered executed at the moment of the counter order registration in the System.

Order can be executed partially. If this happens the System will place another Order for the amount of unencumbered balance of the originally placed Order.

The execution of the Order is realized by transferring the corresponding Funds indicated in counter orders to Users Accounts. Transfer of these Funds is made automatically by the System. Herewith the actions realized by the System are considered to have been realized at Users request.

Such actions as placing Orders, calling them back and closing the Deals are reflected in the User Personal Cabinet.

The information about the closed Deals is available for all the Users during a period of time determined by the EXENIUM.

6. TYPES OF ORDERS

Simple buy order

A simple buy Order represents the User's offer to buy a certain amount of Funds at the Exchange Rate set by the User.

To place a simple buy Order the User has to fill the corresponding form in the Personal Cabinet indicating the amount of Funds to buy and setting the Exchange Rate.

A simple buy Order can be executed at a lower Exchange Rate than the one indicated in the placed Order. Herewith the User will be refunded with the excessively paid part of the commission. A simple buy Order cannot be executed at a higher Exchange Rate than the one indicated in the placed Order.

Simple sell Order

A simple sell Order represents the User's offer to sell a certain amount of Funds at the Exchange Rate set by the User.

To place a simple sell Order the User has to fill the corresponding form in the Personal Cabinet indicating the amount of Funds to sell and setting the Exchange Rate.

Market buy Order

A market buy Order represents the User's offer to buy a certain amount of Funds without setting the Exchange Rate.

To place a market buy Order the User has to fill the corresponding form in the Personal Cabinet indicating the amount of Funds to buy.

The Order will be executed at the lowest Exchange Rate found among the Orders placed by other Users.

The EXENIUM reward for the operation will be charged immediately at the moment of Deal closure.

Market sell Order

A market sell Order represents the User's offer to sell a certain amount of Funds without setting the Exchange Rate.

To place a market sell Order the User has to fill the corresponding form in the Personal Cabinet indicating the amount of Funds to sell.

The Order will be executed at the highest Exchange Rate found among the Orders placed by other Users.

The EXENIUM reward for the operation will be charged immediately at the moment of Deal closure.

Complex buy and sell Order

A complex buy and sell Order represents the User's offer to buy a certain amount of Funds at the Exchange Rate set by the User and to sell the acquired amount of Funds at the Exchange Rate set by the User. So, when the User places a complex buy and sell Order, the System in its turn places firstly a simple buy Order and when it is executed, places a simple sell Order.

To place a complex buy and sell Order the User has to fill the corresponding form in the Personal Cabinet indicating the amount of Funds to buy and setting the Exchange Rate as well as setting the Exchange Rate to be used during the sale of the acquired Funds.

This type of Order is governed by a set of rules elaborated for simple buy Order and simple sell Order with specificities related to complex buy and sell Order.

7. DETECTION AND PREVENTION OF ILLEGAL SITE AND SYSTEM USE

The User is prohibited to conduct Deals omitting the formal procedure of placing Orders by means of using personal messages and other options of the Site and/or the System. In these cases a message ceases to be private and becomes available for moderators and the administration if one of chat users complains about it.

The User is prohibited to use the Site and/or the System in any other way than those stipulated in the Agreement; in particular, the User is not allowed to advertise products on the Site in case the Parties have not entered an additional specific agreement.

The User is prohibited to use the Site and/or the System with unlawful aims including laundering of money derived from criminal activity, financing of terrorism and involvement in extremist activity.

The User is obliged to go through the identification process established by the System or third parties (aggregators, credit or other organs) during the Deal-making process as well as fulfill the requirements stipulated by UK law in the field of counteraction of laundering (legitimization) proceeds of crime.

8. RISK WARNING

The User guarantees that he/she understands general principles of work with Cryptocurrencies and is aware of Cryptocurrency of the following characteristics affecting its value and risks related to it:

- Price volatility: The value of cryptocurrencies is extremely volatile. They are vulnerable to sharp changes in price due to unexpected events or changes in market sentiment.
- Leverage: Leverage multiplies User's profits but also potential losses and can have a significant impact on fees. It also places User at risk of losing more than his/her initial investment.
- Charges and funding costs: Charges and Fees can include the spread, funding charges, and commissions.
- Price transparency: When compared with fiat currencies, there can be more significant variations in the pricing of cryptocurrencies used to determine the value of User's position. There is a greater risk that the User will not receive a fair and accurate price for the underlying cryptocurrency when trading.

User should only participate in trading deals if he/she has a sophisticated knowledge of financial markets and fully understands the risks associated with cryptocurrencies.

The User guarantees that he/she has a right to execute transactions with Cryptocurrency and possesses a full legal capacity.

The User understands that the EXENIUM in no way influences the Exchange Rate set by the Users, does not give recommendations on Exchange Rate determination and does not forecast the rates. The User is responsible for all economic risks related to choosing particular Exchange Rate. The EXENIUM does not guarantee that the Deal will be finally closed and that the conditions of this Deal will be of the User's benefit.

The User understands that the EXENIUM in no way bears relation to deal conduction and/or transactions related to Cryptocurrency. Correspondingly the EXENIUM does not assume the responsibility to guarantee terms and/or possibilities of carrying out this or that operation and/or transaction related to Cryptocurrency, which are necessary for Deal making.

The User understands that all the operations with Cryptocurrency have irreversible character and that Funds acquired during the Deal can be returned only on the basis of additional specific agreement with other User.

9. INTELLECTUAL PROPERTY AND RESTRICTIONS ON SITE AND SYSTEM USE

The Site and the System contain fruits of intellectual labor that belong to the EXENIUM, affiliated persons and other related parties, sponsors, partners, representatives, all the parties acting on behalf of the EXENIUM and other third parties.

By using the Site and the System the User acknowledges and agrees that all Site content and the structure of Site content are protected by copyright, trademark and other rights concerning the results of intellectual activity, and that the abovementioned rights are authentic and are protected in their every form, in all carriers and regarding all existing and created later technologies. No rights as well as no Site nor System content are committed to the User as a result of Site and System use or on the conclusion of the Agreement.

To avoid any misunderstanding the User is prohibited to:

- copy and/or diffuse any items of intellectual property published on the Site and/or in the System except when this function is clearly contemplated by the Site and/or the System;
- copy or use in any other way the program part of the Site and/or the System as well as its design;
- diffuse on the Site and/or in the System personal data of third persons without their permission;
- change in any way the program part of the Site and/or the System, take any actions aimed at changing the functionality and operability of the Site and/or the System;
- use insults or any words violating rights and liberties of third persons as a login (nickname, alias) during the registration.

10. RESPONSIBILITIES OF THE PARTIES

In case the User violates the conditions of the present Agreement, morality norms or in case he/she conspires with another User to violate the conditions of the Agreement, the EXENIUM will have the right to block or delete the User's Personal Cabinet, prohibit or restrict their access to certain or all functions of the System using his/her Personal Cabinet.

If the EXENIUM detects that the User has violated paragraph 7 of the present Agreement, the EXENIUM will have the right to delete the User's Personal Cabinet and demand indemnity for losses.

The EXENIUM is not responsible for the operability of the Site and/or the System and does not guarantee its continuous operation. The EXENIUM does not guarantee the safety of the information published on the Site and/or in the System as well as does not guarantee the possibility of continuous access to the information about Orders and closed Deals, the possibility of Order placement and of making Deals.

The User uses the Site and the System in its original form at his/her own risk. The EXENIUM does not guarantee the achievement of any results by the User owing to the Site and/or System use.

The EXENIUM does not guarantee that the Site and the System satisfy the requirements of the User as well as does not guarantee continuous, fast, save and error-free access to the Site and/or the System.

11. SPECIAL CONDITIONS

The Site and the System can contain external links to other sites in the Internet network (third parties' sites). The abovementioned third parties' sites and their content are not checked by criteria of conformity with certain requirements (authenticity, completeness, legality, etc.). The EXENIUM will not be liable for the information and the materials published on third parties' sites, which the User can access via the Site and/or the System as well as does not assume any responsibility for expressed opinions or statements, advertising materials, the accessibility and possible consequences of use of third parties' sites.

The EXENIUM has the right to transfer rights and debts under all obligations derived from the Agreement. By accepting the present Agreement the User gives their consent on transferring rights and debts to any third party. In case of rights and/or debts are transferred, the EXENIUM will inform the User about it leaving the corresponding message on the Site and/or in the System.

Given the specifics of transactions, EXENIUM does not implement a chargeback policy. However, EXENIUM has developed and implemented a detailed Cross-Chain Recovery Policy, which provides a detailed guideline in the cases where an erroneous deposit of one cryptocurrency into wallet address instead of another cryptocurrency is made by the User. The recovery of Cross-chain deposits is an inherently dangerous and a very time consuming process. Not all deposits can be recovered and dependent on which currency has been mistakenly sent to which address can influence difficulty, time and security risk involved.

Making a transaction, the User agrees and carries the entire risk on the transaction. To EXENIUM cannot be made any claims for the cancellation of the Transaction. EXENIUM does not accept or process applications from anyone for the return and / or cancellation of an operation.

12. WARRANTIES

Neither EXENIUM nor its affiliates make any specific promises about functioning of the Site and/or System. For example, EXENIUM does not make any commitments about the content of the Site, the specific functions of the System, or their reliability, availability or ability to meet the User's needs. EXENIUM provides the Site and System "AS IS".

To the extent permitted by law EXENIUM excludes all warranties, guarantees, conditions, representations, and undertakings.

13. LIMITATION OF LIABILITY

To the extent permitted by law neither EXENIUM nor EXENIUM'S affiliates, and EXENIUM'S suppliers and distributors will be responsible for lost profits, revenues, financial losses, indirect, special, consequential, exemplary damages.

To the extent permitted by law the total amount of EXENIUM liability, its affiliates, and EXENIUM'S suppliers and distributors is limited to the amount you paid to EXENIUM for all Services provided during 3 (three) months prior to the event giving rise to the liability.

EXENIUM, its affiliates, and EXENIUM'S suppliers and distributors will not be liable for any expense, loss or damage that is not reasonably foreseeable.

14. INDEMNIFICATION

The User agrees to defend, indemnify and hold EXENIUM, its affiliates and their respective employees, officers, directors and stockholders harmless from and against any and all damages claimed by a third party as a result of actions by User in violation of this Agreement. The User agrees to defend, indemnify and hold EXENIUM, its affiliates and their respective employees, officers, directors and stockholders harmless from and against any and all damages for damages to property, bodily injury, death, or other injuries arising from the negligence or misconduct of the User or any person for whom User is legally responsible.

The party seeking indemnification in any case shall promptly give written notice to the other of the claim for which indemnification is sought and shall cooperate with the other party in the defense of such an action or suit. The failure to give or delay in giving any such notice shall not limit the indemnifying party's rights hereunder except to the extent it is prejudiced thereby. The indemnifying party shall have the right, at its expense, to direct any such legal proceeding and the negotiation and settlement of any such claim or demand. The indemnifying party shall have no liability for any settlement made without its consent or for any fees or expenses incurred by the other party after the indemnifying party begins directing the legal proceeding.

15. DISPUTE SETTLEMENT

The Parties will tend to solve all disputes, differences and claims that can arise out of the execution, termination or cancellation of the Agreement by means of negotiations. The Party that has some claims should send a notification to the other Party describing the arisen claims and/or differences.

The Party in default on its obligations hereunder shall promptly cure the breach and take due measures to eliminate the consequences. Any dispute arising out of or in connection with this Agreement (including a dispute regarding the existence, validity or termination of this Agreement or the consequences of its nullity) shall be referred to and finally resolved by arbitration under the Arbitration Rules of the London Court of International Arbitration.

If any dispute occurs as to the performance or interpretation of the present Agreement that cannot be resolved amicably or in arbitration the Company is entitled to demand the dispute be settled by the Court in location where the EXENIUM resides.

16. AMENDMENTS OF THE AGREEMENT

The Service has the right to unilaterally change the terms of the Agreement, Privacy Policy, Anti-Money Laundering Policy and the Fees. The changes take effect 3 (three) days after the moment the new version of corresponding documents is published.

At each successive visit to the Site and before starting the use of the Personal Cabinet the User commits to become familiar with the new version of the Agreement, Privacy Policy, Anti-Money Laundering Policy and the Fees. If the User continues to use the Site and the System it will mean that he/she agrees with new versions of the corresponding documents.

If the User does not accept new terms of the Agreement, Privacy Policy, Anti-Money Laundering Policy and the Fees, he/she should stop using the Site having closed the Deals with other Users.

17. CONCLUDING PROVISIONS

With the exception to the cases defined by the Agreement and the current legislation, all the notifications, messages and documents related to the fulfillment of obligations arised out of the Agreement should be sent to and are considered as received by the Parties if they have been sent via email from the authorized address of one Party to the authorized address of the other Party. An authorized address can be:

- for the User: the email address indicated in the User Personal Cabinet;
- for the EXENIUM: support@exenium.io.
